

## KnitRite Seamless AFO, KAFO & Orthotic Size Chart

To select the correct size, measure your leg from the tip of the toe to the top of the AFO / KAFO. Select the sock which is closest to that length.

There is no heel pocket, so the shoe size doesn't matter. The sock is like a long stretchy tube that will mould to the contours of the foot and leg. Measurements are the unstretched socks.

### SmartKnit AFO Interface Seamless Socks

Size	Width	Length
Infant Small AFO	3.5cm	18cm
Infant AFO	5cm	23cm
Child Small AFO	5.5cm	28cm
Child AFO	6.5cm	36cm
Child Extra Long AFO	7.5cm	51cm
Adult Small AFO	7.5cm	46cm
Adult Regular AFO	9cm	51cm

### Patterned AFO Core-Spun Interface Socks
